

LATIESHA WIGGINS, LPC, LSATP

Capability Statement

Latiesha Wiggins is a Licensed Professional Counselor (LPC), Licensed Substance Abuse Treatment Practitioner (LSATP), and Certified Substance Abuse Counselor (CSAC) Supervisor specializing in behavioral health consulting, clinical supervision, workforce development, behavioral health assessments, and professional training. She partners with behavioral health organizations, healthcare providers, schools, government agencies, courts, and community organizations to strengthen clinical practice, improve service delivery, and support positive client outcomes.

With extensive experience in behavioral health leadership, Latiesha combines clinical expertise with practical, evidence based solutions that help organizations develop confident professionals, strengthen compliance, and improve the quality of behavioral health services.
